

EXEO

ENJOYNEERING

They say never mix business with pleasure. But we proved them wrong. The Exeo and Exeo ST not only mix business with pleasure, they mix performance with practicality, and elegance with excitement. How? We call it: **ENJOYNEERING.**

## THE A TO Z OF STYLE

Class. It's something you'll see in every aspect of the Exeo range. A highly refined driving experience that puts a smile on your face, whether you're collecting your boss from the airport or escaping for the weekend.

So if you want something to take you from A to B in style, the Exeo will certainly do that. It's just that when you arrive at B you might want to carry on and check out C, D, E and the rest of the alphabet. The SEAT Exeo. Designed to take you further.

# MADE TO MEASURE

Designed with you in mind

One size does not fit all, which is why the Exeo is made to measure. Like a well-tailored suit, it's designed to fit you perfectly. Leather upholstered seats with height and lumbar adjustment help you find the perfect driving position. Adaptive Front-lighting System (AFS) automatically tracks as you steer. And of course, bespoke always looks better. Add a touch of class with dark tinted rear windows, 17-inch Elegance alloys, or bi-xenon headlights with integrated LEDs. Impressive. But then, that's exactly what you'd expect from the Exeo. A perfect fit for business, and pleasure.

2809 SES

# ALL WORK. ALL PLAY

Never a dull moment

It's true what they say: all work and no play... And really, the same goes for all play and no work... Life should be about balance, just like the Exeo Sport Tourer. It has all the class of an Exeo, but when Friday comes, the Exeo ST is ready to whisk you from meeting table to mountain top as if it were the most natural thing in the world.

This level of sleek sophistication and genuine functionality isn't something you see everyday. But it could be.

The dynamic exterior is classic SEAT. Front and rear LEDs and a choice of 10 shades of paintwork that will turn heads wherever you go. While under the rear hatch there's plenty of space to accommodate suitcases as well as briefcases. So whether it's a meeting, or a rendezvous, you'll arrive unruffled and in style.

All work. All play. All Exeo.

# A FEAST FOR THE SENSES

## Door to door quality

Before you start the engine, take a moment to sit back and appreciate the Exeo's interior, with all your senses. Feast your eyes on the tasteful, quality finish throughout the cabin. Stitched leather, decorative dash inserts, and some eye-catching technology. Like the on-board computer, which displays live journey data such as fuel consumption and average speed.

Your ears are in for a treat too. The acoustic windscreen, which reduce road noise to a mere hum, and provides an ideal acoustic environment for the specially designed BOSE® sound system.

Next, feel the quality of the upholstery before gripping the perforated leather steering wheel. The Exeo's select choice of materials and ergonomically designed controls are a real touch of class.

We've even thought of your nose. As part of the Convenience Pack, the air quality sensor automatically shuts the external vents when it detects high levels of pollutants. Leaving you free to breathe that irresistible new car smell. Which just leaves one sense, taste, and you've already got it.

# INTRODUCING OUR 'TECH' SPEC. BUSINESS AND PLEASURE IN ONE

For those who like an extra touch of quality in their ride, here's the Tech models. These models increase the high standard of SEAT spec to give you some enviable additions. There's the luxurious black leather upholstery, the high quality BOSE® premium audio system, satellite navigation for an easier drive, and iPod® connectivity for every modern driver. At a fraction of the price of adding these options individually, the Tech models are the smartest way to add those optional extras you always wanted.

Never get lost again: Satellite Navigation System includes DVD-based dynamic route guidance, 6.5" colour screen, 3D map display, SD card slots for MP3 playback and upgraded colour dash display.

Listen to your favourite tunes on your iPod®.

The high performance, 10-speaker BOSE® system with digital amplifier and BOSE® Digital Signal Processing, AudioPilot noise compensation technology and five channels of customised equalisation ensuring crisp musical detail and exceptional sound reproduction.

# FIRST CLASS FEATURES

It's all in the detail

**BI-XENON HEADLIGHTS WITH LED  
DAYTIME RUNNING LIGHTS.**  
Include Adaptive Front-lighting  
System (AFS), headlight washer  
system and LED taillights.

**ELECTRIC SUNROOF (SLIDE/TILT).**

**7-SPEED MULTITRONIC GEARBOX.**  
Our multitronic transmission is a quantum shift in shifting gears. In automatic mode the continuous variable ratios deliver seamless acceleration. Or, for ultimate control, switch to seven-speed manual using the steering mounted paddle shifters.

**AIR QUALITY SENSOR.**

The air quality sensor monitors the level of harmful airborne pollutants outside the car. If air quality drops, for example in heavy traffic, the system switches to recirculation mode, preventing polluted air from entering the car, and allowing you to breathe easy.

**STORAGE PACK.**  
Including load through facility with integrated ski bag.

# HOT NEW START-UPS

These engines will go far

The new generation Exeo engines boast cutting-edge innovations that boost performance, cut emissions, and significantly increase enjoyment. The diesels are all 2.0 TDI common rail engines, with direct turbo-charged injection. And it sounds even more impressive when you put your foot down. Quieter and more efficient, these engines deliver power outputs up to 170PS while keeping emissions as low as 117 g/km\* thanks to the introduction of the new Ecomotive engines to the Exeo range. Available in both 120 and 143PS outputs combined with Energy Recovery and Start/Stop systems, the Ecomotive engines deliver remarkably low CO<sub>2</sub> emissions with very healthy performance.

It's a pretty serious collection. But then, like everything Exeo, these engines are designed to go far.

\*Exeo data. 119 g/km for Exeo ST.

# E ECOMOTIVE

## START/STOP SYSTEM.

This system allows you to save fuel and cut down on CO<sub>2</sub> emissions.

When the car is stopped, the gear lever set to neutral and clutch pedal is released, the Start/Stop System switches the engine off. Once the clutch is engaged again the engine starts automatically.

An Energy Recovery System works by varying the amount of power absorbed by the alternator. During braking, power which would otherwise be wasted is drawn into the electrical systems and battery. Under acceleration the alternator draws less energy, so more can be sent to driving the wheels. This system helps you reduce overall fuel consumption, and consequently the CO<sub>2</sub> emission level.

# WE'VE GOT IT COVERED

## Take safety for granted

Safety is so important we believe you should be able to take it for granted. That's why every Exeo has EBA (Emergency Brake Assistant) and ABS (Anti-Lock Braking System), dramatically reducing stopping distances and improving braking safety.

Every Exeo is equipped with our Electronic Stability Control (ESC), which actively monitors feedback and makes adjustments to optimize road holding through the trickiest of bends.

Every Exeo comes with 6 airbags protecting driver and passenger, and ISOFIX and Top Tether anchorage systems for securing child safety seats.

Because while the Exeo and Exeo ST aren't short of options – engines, paintwork, upholstery and a range of accessories – safety isn't one of them. Whichever model you choose, you can take safety for granted.

**AIRBAGS.**

The definition of first class safety: Six airbags as standard. Two front, two side and two curtain. Front passenger airbag de-activation is also standard and for additional safety there is an option of rear side airbags.

**ELECTRONIC STABILITY CONTROL (ESC).**

For road holding you can rely on, think ESC. The system monitors each wheel to detect and correct any loss of grip. And if you need to stop in a hurry, Emergency Brake Assist (EBA) dramatically reduces stopping distances.

**ADAPTIVE FRONT-LIGHTING SYSTEM (AFS).**

AFS doesn't read your mind, but it knows where you're going. The system swivels the headlights to follow the direction of the steering wheel, pointing the beams right where you need them.

# UPWARDLY MOBILE

Start at the top and work your way up

S

- / 16" 'Morfeo' alloy wheels
- / Dual-zone climate control
- / Front & rear electric windows (one touch with anti-squeeze)
- / Electrically adjustable, heated & folding door mirrors
- / Cruise control
- / MP3 compatible CD player
- / 4 speakers
- / Integrated Bluetooth® handsfree system with voice control
- / Steering wheel mounted audio/phone controls
- / AUX-in connection
- / USB port (in glove compartment)
- / Multi-function display including trip computer
- / Height & reach adjustable steering wheel
- / Power assisted steering
- / Six speed gearbox
- / Front folding armrest with storage compartment
- / Manual height adjustment for front seats
- / Ashtray and cigarette lighter
- / Driver & front passenger airbags
- / Front passenger airbag de-activation
- / Front side airbags
- / Curtain airbags
- / Driver's seatbelt reminder
- / Front active headrests
- / ESC + EBA
- / ISOFIX (with Top Tether) child seat anchorage points in rear
- / Remote central locking with deadlocks
- / Electronic engine immobiliser
- / Volumetric alarm with back-up horn & tilt sensor
- / Body coloured door handles & mirrors
- / Integrated front fog lights
- / Roof rails (black)\*
- / Storage boxes under front seats\*
- / Retractable luggage compartment cover\*
- / 12 volt supply in boot\*

\*Exeo ST only.

## SE / SE TECH\*

### IN ADDITION TO S TRIM

- / 17" 'Elegance' alloy wheels
- / Rain sensor (auto-wipers)
- / Acoustic windscreen
- / Coming home headlight function
- / Light sensor (auto-lights)
- / Rear net partition\*\*
- / Auto dimming rear view mirror
- / Rear folding armrest with storage compartment and cupholders
- / Rear parking sensors
- / Tyre pressure monitoring
- / 8 speakers
- / Ambient Light Pack
- / Manually adjustable lumbar support for front seats
- / Leather steering wheel & gearknob
- / Chrome side window trims
- / Aluminium door sill trims
- / Interior trim & colour differentiation
- / Roof rails (stainless steel)\*\*

\* Tech models add as standard satellite navigation, black leather upholstery, BOSE® premium audio system and iPod® connection. Otherwise, option availability is as per respective SE models.

\*\* Exeo ST only.

## SPORT / SPORT TECH\*

### IN ADDITION TO SE TRIM

- / 18" 'Quartz' alloy wheels
- / Sports seats
- / Sport suspension
- / Sports lower door mouldings
- / Bi-xenon headlights including:
  - / LED taillights
  - / Adaptive Front-lighting system (AFS)
  - / Automatic range adjustment
  - / LED daytime running lights
  - / Headlight washer system
- / Dark tinted rear windows
- / Interior trim & colour differentiation

\*Tech models add as standard satellite navigation, black leather upholstery, BOSE® premium audio system and iPod® connection. Otherwise, option availability is as per respective SE models.

\*Provisional data.

<sup>1</sup>The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

<sup>2</sup>Where law permits.

<sup>3</sup>Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with this standard.

# INTERIOR ELEGANCE, EXTERIOR STYLE

From a dynamic body kit to stylish interior finishing touches and added practicality, SEAT's range of accessories for Exeo have been designed to fit your life perfectly. Accessories come with a two-year warranty unless stated otherwise, extended to three years when purchased and fitted prior to delivery of a new Exeo.

Full range of accessories available to download on PDF from:

[www.seat.co.uk/accessories](http://www.seat.co.uk/accessories)

# SEAT FINANCE

Your simplest route to a thrilling drive

Before you settle on a model, spec and finish, Solutions from SEAT Finance can help create an effortlessly affordable drive that's tailored just for you.

Solutions is different because you defer a proportion of the car's value until the end of the agreement, giving you significantly lower monthly repayments than if you'd taken out a loan....ever heard of a bank being so imaginative?

Want a higher spec SEAT? Our Solutions personal contract plan could help you drive off with more of a SEAT than you were expecting.

Totally flexible, you get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have three options to choose from.

1. Part-exchange your car for a brand new SEAT on a new Solutions contract.
2. If you love your SEAT and can't bear to part from it, pay the optional final payment and keep the car.\*
3. Or return the car to us (subject to terms and conditions).

Ask your local dealer's financial expert what Solutions can do for you and for a personalised quotation – it's more rewarding than you think.

\*Subject to terms and conditions and payment of the option to purchase fee. An offer of finance depends on certain conditions. Subject to status. Indemnities may be required. Available to over 18s in the UK only. SEAT Finance.

## THE SEAT WARRANTY

### THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

### THREE-YEAR PAINT WARRANTY.

The paintwork of the Exeo is covered against manufacturing defects for a period of three years. Naturally, the Exeo must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Exeo is covered against rusting through from the inside for a period of twelve years. Naturally, the Exeo must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

### SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

## SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians.

## SPECIFICATIONS.

Specifications for the Exeo refer to Model Year 2013. While SEAT makes every effort to make sure that specifications are accurate at time of going to press **(09/12)**, you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

## SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

## SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

## TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at [seat.co.uk](http://seat.co.uk) or call us on FREEPHONE 0500 22 22 22.

## FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

## VEHICLE EXCISE DUTY AND CO<sub>2</sub> EMISSIONS.

All vehicles first registered on or after 1<sup>st</sup> March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO<sub>2</sub>) emission level, measured in grammes per kilometre (g/km).

## OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

## SEAT BUSINESS SALES.

SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at [businesscentre@seatfleet.co.uk](mailto:businesscentre@seatfleet.co.uk). For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at [businesscentre@seatfleet.co.uk](mailto:businesscentre@seatfleet.co.uk). ---

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it ENJOYNEERING. We are SEAT.

**SEAT** is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (**September '12**), you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling\* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to [www.cartakeback.com](http://www.cartakeback.com).

\*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
